

# **EST124**

### Electric Walkie Stacker 1.2T

- Safety and stability assurance
- Integrated charger for charging convenience
- Available with lifting height up to 3.6m
- Market-proven components

**ENERGY ADVANCE CO., LTD** www.forx.co.th

#### Safety and stability assurance

EST124 features metal cover and strong chassis and greatly reduces stress and deformation caused by a heavy load.

#### Market-proven components

EST124 is a hybrid composed of a tiller head, drive unit and hydraulic system taken from FORX best-sellers so all components are reliable and easy for part management.

#### Available with lifting height up to 3.6m

This stacker covers all your light lifting and stacking tasks in warehouses especially for medium height rack system from 2.5m to 3.6m.

## Integrated charger for charging convenience

EST124 comes with an 24V/10A integrated charger and a 24V/80Ah AGM battery, providing charging convenience and flexibility for daily usage.
